**PROSECUTION OF ALL THOSE INVOLVED IN STATE CORRUPTION**

Dear Mr Abrahams

Your letter dated 29 September 2017 and received on 2 October 2017 has reference. We wish to respond to such stating that:

1. The National Prosecuting Authority is established under the constitution by the people of South Africa and is not the private property of the National Director of Public Prosecutions or any other individual. Therefore, your reference to "my offices" is misplaced. The Office of NPA must be respected within the law.
2. Every person, has a right to petition, assemble, and campaign for a cause. Our demonstration at your office was in relation to the tardiness your office has displayed in pursuing the most dangerous corrupt networks in our government, led and facilitated by President Jacob Zuma, and their collaborators outside, in PRASA and Metrorail. This is the only "bad faith" that we acknowledge in this context.
3. We expect your commitment to ensure the freezing of assets of those implicated in the Swifambo and Siyangena matters by the close of business tomorrow the 5th of October failing which we will consider our options.

Yours sincerely  
Zelda Holtzman on behalf of UDF Veterans.

PS Signed copy will be delivered to the Cape Town office of the NPA
